Letter of Recommendation: Linda V. Alaniz,
Educational Research Institute (ERI), President

To Whom It May Concern:

I am writing you this letter on behalf of Ms. Linda V. Alaniz. Based on my professional association with Ms. Alaniz and the staff she employs at Educational Research Institute (ERI), I would highly recommend her without any reservations.

I have had the opportunity to work with Ms. Alaniz and the ERI staff and have found their professional skills as well as interpersonal styles to be a great asset. They are consistently pleasant and take on all assignments with enthusiasm and dedication. Regardless of deadlines or other pressures, ERI always delivers. I have always found them to be thoroughly professional, accessible, and highly knowledgeable of federal and state grant application preparation and the grant submission process.

Educational Research Institute has assisted Communities in Schools (CIS) – Brownsville in the development of various grant proposals submitted to the United States Department of Education's Office, Rio Grande Valley Empowerment Zone Corporation, and the Texas Education Agency.

Should you require any additional information please do not hesitate to contact me at jlgonzalez@ciscameroncounty.org or (956) 554-7954.

Sincerely,

Jose Luis Gonzalez
CIS – Executive Director
