School Board Letter of Recommendation: Linda V. Alaniz, ERI President

To Whom It May Concern:

Alan Moore
President

Linda V. Alaniz has asked that I write this letter of recommendation for her firm, Educational Research Institute (ERI), based on our professional association. I've found Ms. Alaniz and the staff she employs to be honest and straightforward in their approach to work and business.

Gloria Loya
Vice-President

Throughout the process of working with Ms. Alaniz and her staff, we always found them to be thoroughly professional, accessible, and highly knowledgeable of federal and state grants. They have demonstrated a high degree of loyalty and trustworthiness to their work and have carried out their obligations with a great deal of dedication.

Juan Briones
Sec'y-Treas.

Educational Research Institute has assisted La Feria Independent School District in the development of various grant proposals submitted to the Texas Education Agency.
