To Whom It May Concern:

It is with great privilege that I write to you this recommendation letter for Linda V. Alaniz and her firm, Educational Research Institute (ERI). I have found Ms. Alaniz and her staff to be pleasant individuals who are never afraid to take on a challenging task. Ms. Alaniz and the staff at ERI are extremely dedicated.

ERI consists of independent, self-directed staff who are able to communicate effectively and meet even the most demanding challenges. During my professional association with ERI, they have been instrumental in increasing our client base by recommending our products and services to their clients. ERI has also assisted the school districts that we currently work with in securing hundreds of thousands of dollars in grant funds that can be utilized to purchase our products and services.

I would highly recommend Ms. Alaniz and her firm without any reservations. Please feel free to contact me at, 800-445-1088 or email me at [sales@tech-labs.com](mailto:sales@tech-labs.com) if you should require any additional information.

Best Regards,

Timothy M. Brown  
President
