To Whom It May Concern:

I would like to take the opportunity to offer a formal recommendation for Linda V. Alaniz and her firm, Educational Research Institute (ERI). As the chief executive officer of Texas Educational Solutions, I have had the pleasure of working with Ms. Alaniz and her staff for approximately 2 years and feel they would be an asset to your business.

Ms Alaniz and the staff she employs demonstrate incredible initiative and strong dedication to providing their clients with professional service. They have been instrumental in assisting our clients in securing thousands of dollars in grant funds. Through Ms. Alaniz's vast connections and resources, ERI has also enabled Texas Educational Solutions to branch out into new schools and provide our software to a new client base.

I highly recommend Ms. Alaniz and ERI to you. If you wish for further information, please feel free to contact me at [MaryKay@txedsol.com](mailto:MaryKay@txedsol.com) or at 512-698-4413.

Sincerely,

Mary Kay Davis  
Chief Executive Officer  
Texas Educational Solutions
